Belton EDC Board Supports Belltec's Expansion

By Ana Borchardt | May 16, 2017

Belltec Industries has been experiencing steady growth in their operations and sales over the years. The company designs and manufactures innovative drilling products for industry, utilities, and agriculture. In 2012, they had a small expansion, and with assistance of the BEDC, the company installed a new sprinkler system, added 4,500 S.F. to the facility, retrofitted their roof, and created three new jobs.
